I want to thank everyone for the cards, flowers, candy and fruit baskets I received while I was in the hospital. A special thanks to the Appomattox Rescue Squad and My Crew.
Pete Doss
17/3-17-1tp

The family of Daisy Mann McDilda would like to thank all friends and relatives for all the flowers, cards, visits and calls during her sickness and our loss. Also special thanks to the employees of Amelia Dress Co. for their love offering.
17/3-17-1tc

I would like to take this time to extend my appreciation to everyone for many acts of kindness shown during my stay in the hospital and since my return home.
Arnold Daniel
17/3-17-1tp

Words can never express my gratitude for the many kindnesses shown me during my recent stay in the hospital and since my return home. Thank you family, friends, and Pastor Edward Temple for cards, prayers, food, phone calls and visits.
Mrs. Virginia F. Saville
17/3-17-1tp

Belatedly, please accept our heartfelt thanks for the many cards and notes sent to us at the time of our recent sorrow. After acknowledging the memorials, the beautiful flowers and plants and each bountiful amount of delicious food brought in I planned to acknowledge and every card we received. However, as of now, I am less than half way through, and rather than have anyone think we are not truly grateful, I am using this way of telling how very much they meant to us and how they helped so much in making our sorrow a bit easier to bear.
Nowhere in the world have we had the kind and loving neighbors we have in the Rocks and Evergreen communities. Grahame, Barbara Kay and Mary Helen join me in praying that God will shower you with his many blessings - you are all so richly deserving.
Helen G. McLaughlin
17/3-17-1tc

Many thanks to my neighbors, friends, the firemen, who were so prompt and efficient, the town workers who Cleaned up the broken plaster, the Garmet Factory Workers, who were trying to rescue me and all the people that called and offered help. Again, many thanks.

PUBLIC NOTICE
Southside Electric Cooperative Files For Rate Increase
On March 15, 1983, Southside Electric Cooperative filed with the Virginia State Corporation Commission an application for an increase in retail electric rates to its consumer-members. Southside Electric Cooperative stated in its application that the revised rates are intended to increase Cooperative revenues by approximately 10 percent. The total increase in Southside Electric Cooperative revenues would be approximately $2,197,000 annually.
The revised rate increase will become effective for all electric service rendered on or after March 20, 1983.
Notice of the Cooperative's application for the rate increase is presented below.
NOTICE TO THE PUBLIC OF PROPOSED RATE INCREASE BY SOUTHSIDE ELECTRIC CO.
(Continued on page 9)

80. Notices

(Continued from page 8)
OPERATIVE:
Southside Electric Cooperative ("Cooperative") has filed with the State Corporation Commission of Virginia an application requesting an increase in rates charged for electric service. The Cooperative states in its application that the revised rates recover wholesale power increases currently being collected through Riders RS-5 and RS-6R and would produce additional revenues of approximately $2,197,000 or an approximate 10 percent increase in revenue.
Based upon the information filed with the application, the proposed rate increase would have the following effects on the different Cooperative rate schedules and customer classifications:
Rate Classification (Rate Schedules A, GSS, GTP, I, SL, PS)

80. Notices

All Cooperative Rate Schedule Classifications 10 percent increase.
Any interested party may review the application of the Cooperative and the proposed new schedules of increased rates during regular business hours at the office of the Commission's Clerk, Jefferson Building (formerly Blanton Building) of Richmond, Virginia or at any office of the Cooperative where bills may be paid off.
Any interested party has the right to request a public hearing with respect to the Cooperative's application and such request should be directed to the Clerk of the State Corportion Commission. P.O. Box 2118, Richmond, Virginia 23216. Such request should be made on or before May 19, 1983.
The Commission staff will make an investivation to determine the reasonableness of the

rates proposed by the Cooperative and its report of the investigation on the increase will be filed within six (6) months of the filing. Subsequent to the submission of that report, the Cooperative will seek to have the expedited increase made permanent.
